Center for Leadership & Educational Equity

Classroom Equity Writing Prompt

Developed in the field by educators.

A writing prompt from Parker Palmer's work, *Courage to Teach,* is having people write about the moment they knew they wanted to be teachers and then about when they knew they were teachers. How about this modification: Write about when they realized that they had to do something in their classrooms to cause a difference in regard to the inequities and prejudice present in our society.

Please use to further your professional practice, give credit, use the CLEE logo and footer, and do not exploit for profit. Protocols are most powerful in a collaborative setting and facilitated by a skilled facilitator. Learn more at clee.org.
